Ac. 3034

PROCEEDINGS

OF

THE ROYAL SOCIETY

OF

EDINBURGH.

VOL. XIX.

NOVEMBER 1891 TO JULY 1892.

EDINBURGH:
PRINTED BY NEILL AND COMPANY.
MDCCCXCIII.

CONTENTS.

PAGE

Election of Office-Bearers, ... 1

Chairman's Opening Address, ... 2

Note on a Theorem regarding a Series of Convergents to the Roots of a Number. By Thomas Muir, LL.D., . . . 15

A Preliminary Communication on the Electrical Resistance of Various Urines. By Dawson Turner, M.D., F.R.C.P. Edin., M.R.C.P. London, ... 20

Note on a Problem of Elimination connected with Glissettes of an Ellipse or Hyperbola. By Thomas Muir, LL.D., . . 25

On the Foundations of the Kinetic Theory of Gases. V. By Professor Tait, ... 32

The Lesser Rorqual (*Balænoptera rostrata*) in the Scottish Seas, with Observations on its Anatomy. By Professor Sir Wm. Turner, LL.D., D.C.L., F.R.S., ... 36

The Tactics adopted by certain Birds when Flying in the Wind. By Mr R. W. Western. (With a Plate), ... 76

Note on Certain Remarkable Volume Effects of Magnetisation. By Professor Cargill G. Knott, D.Sc., and A. Shand, Esq., . 85

On the Eliminant of the Equations of the Ellipse-Glissette. By the Hon. Lord M'Laren, ... 89

Ptomaines extracted from Urine in certain Infectious Diseases. By Dr A. B. Griffiths, F.R.S.E., F.C.S., &c., . . . 97

On a Crystalline Globulin occurring in Human Urine. By D. Noël Paton, ... 102

On the Blood of the Invertebrata. By A. B. Griffiths, Ph.D., F.R.S.E., F.C.S., &c., ... 116

Note on Dr Muir's Solution of Sylvester's Elimination Problem. By Professor Tait, ... 131

Note on the Thermal Effect of Pressure on Water. By Professor Tait, ... 133

PAGE

Notes on the Wanyoro Tribe of Central Africa. By Robert W. Felkin, M.D., F.R.G.S., Fellow of the Anthropological Societies of London and Berlin, &c. (With a Plate), . . . 136

Note on the Division of Space into Infinitesimal Cubes. By Professor Tait, ... 193

On the Olfactory Organs of Helix. By Dr A. B. Griffiths, F.R.S. (Edin.), F.C.S., &c., ... 198

On the Renal Organs of the Asteridea. By Dr A. B. Griffiths, F.R.S. (Edin.), F.C.S., &c., ... 200

Note on Uniform Convergence. By Professor Cayley, . . 203

On a Certain Locus. By Professor P. H. Schoute, University of Groningen, Holland, ... 208

Recent Innovations in Vector Theory. By Professor C. G. Knott, D.Sc., F.R.S.E., ... 212

On some Modifications of the Water-Bottle and Thermometer for Deep-Sea Research. By J. Y. Buchanan, . . . 238

Synthesis by Means of Electrolysis. By Professor Crum Brown and Dr James Walker. Part VI., ... 243

On the Volume Effects of Magnetisation. By Prof. Cargill G. Knott, D.Sc., and A. Shand, Esq., ... 249

Note on the Law of Transformation of Energy and its Applications. By W. Peddie, D.Sc., ... 253

On the Particles in Fogs and Clouds. By John Aitken, Esq., . 260

A New Solution of Sylvester's Problem of the Three Ternary Equations. By the Hon. Lord M'Laren, . . . 264

Meetings of the Royal Society—Session 1891–92, . . . 267

Donations to the Library, ... 278

Obituary Notices, ... i–lxiv

Index, ... lxv
